

## Our New Calendar of Events

We are pleased to announce The New Social Worker Online Calendar of Events!

This new color-coded, interactive calendar on our Web site serves as a central point on the Web where you can find upcoming conferences, calls for papers, deadlines, celebrations, and other events that relate to the social work profession.

When you find an event you are interested in, you can sign up for an e-mail reminder, add the event to your own electronic calendar, and perform other "event actions." In addition, we have set up a "Submit an Event" form, so organizations and individuals can suggest events to be added to our published calendar. In time, this will result in the calendar providing a comprehensive source of information on upcoming items of interest to all social workers.

To view and interact with our new calendar, just click on the "Calendar" tab at the top of the page!
